'The Great Buffalo Hunt'

Stage 2

The Cabin

The hunt hasn't even started and you have to protect your cabin against 2-legged wolves already. Enough already! You start the fandango outside and move to the cabin for shelter.

Shotgun, 2+ rounds, held in both hands at center of the fence Lever Rifle, 10 rounds, staged in the left window Single Shot Rifle, 4 rounds, staged in the door Pistols, 10 rounds, holstered

Shooter starts standing at center of the fence holding shotgun in both hands.

When ready say **"Bring it on!"**. At the beep engage the two shotgun targets until down, then move to left window. Make shotgun safe. With the lever rifle engage the rifle targets at least twice each. Move to the doorway and with the single shot rifle engage the rifle targets once each. Move to either right window and with pistols engage the four pistol targets at least twice each.
