

'The Great Buffalo Hunt'

Stage 3

Getting a Stand

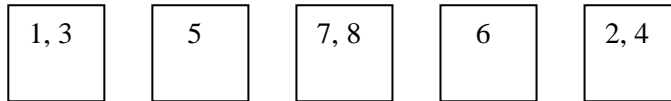

You've been searching all morning when you finally spot a herd of buffalo. You set up to shoot as many as possible before the herd spooks and moves away. You shoot from the outside edges of the herd towards the center to keep the animals contained.

Single Shot Rifle, action open and empty. Have at least 8 rounds available.

Shooter begins with rifle resting on cross sticks, action open, chamber empty, both hands on rifle. When the shooter is ready he/she says ***"Let's Wang Dang Doodle !"***

At the buzzer the shooter will load and begin shooting the buffalo in the specified order.

Shooting order..... Far left first, far right, far left, far right, second from left, second from right, center, center again. (1 - 5 - 1 - 5 - 2 - 4 - 3 - 3)
